D&D ADVENTURERS LEAGUE CATALOGUE

IT WAS OGHMA, THE GOD OF KNOWLEDGE. Although I can't really say that I met him, I suppose, as he was drunk and fast asleep in Cousin Roffler's back lawn – or perhaps I should say ON Cousin Roffler's back lawn. He was a giant of an avatar, sprawled out and snoring. I wonder how you get a god drunk?

—Jan, a thief, to Minsc, a barbarian

WHAT IS THIS?

The Dungeons and Dragons Adventurers League has been around for a few years now, and a lot of content has been created during that time. A number of high-quality hardcover books, a huge array of PDFs, and a whole slew of other play options have been introduced – and this means that it can be a lot to track, especially for the casual player!

To remedy this, we've decided to publish a listing of all legal play options for our players and Dungeon Masters. It's been a lot of work getting our notes into a readable format, but we're committed to the vision: expect an updated version of this document about once per quarter.

ADVENTURE CODE CHEAT SHEET

CODE	DEFINITION
DDAL	Standard AL adventure
DDEN	"Encounters"; adventure was available only to retailers. This program is retired, but the content is still legal for play.
DDEP	"Epic"; an adventure that is higher-challenge, requires multiple tables, and can only be run at a convention or retail event
DDEX	"Expeditions"; standard AL adventure. This program has been retired, but the content is still legal for play.
DDHC	"Hard Cover"; the seasonal releases that often take characters from 1-10+. May sometimes extend to other evergreen products, like Lost Mine of Phandelver
DDIA	"Intro Adventure"; provides an introduction to a book, season or play, or some other event/content.
DDLE	"Launch Event"; content made available to retail locations to celebrate the launch of a new book. This code has been retired, but the content is still legal for play. Now known as DDIA.
CCC	"Convention-Created Content"; adventures that are not necessarily canon, but can be created by conventions that have been given permission to do so. For more information, refer to the CCC section of this document.

THE ADVENTURERS LEAGUE

The Forgotten Realms is a huge world, full of wild adventures and exotic locales. Over the last 30-plus years, players and Dungeon Masters everywhere have shared in the fantastic experiences that only Dungeons & Dragons can provide.

With the release of 5th Edition, we here at the D&D Adventurers League wanted to continue the trend of crafting epic stories in this sprawling world. To that end, we created this group to become our play focus, our Organized Play venue, and our way of keeping the community involved in sharing their heroic – and sometimes villainous! – tales.

No matter if you are a crafty Zhentarim agent, a cunning Harper spy, a tough-as-nails arbiter of the Order of the Gauntlet, an enforcer of the Lords' Alliance, or a hunter from the Emerald Enclave, this world and its groups now include you.

What will your legend be?

Did You Know?

DM Quests are introduced in Season 4. DMs can take credit for these quests whenever they run an adventure from the following categories:

- DDAL
- DDEX (this code is retired, but the adventures are not!)
- DDEP
- DDHC
- DDIA
- CCC (some quests)

Please note that some DM Quests require specific adventures to be run in order to gain credit. Ex: DDAL04 series, or DDHC-CoS.

Also.... Guild Adepts! This program serves to highlight some high-performing content contributors from dmsguild.com. Not every submission into the Guild Adept program are valid for Adventurers League play, but every entry is intended to promote the overall seasonal “feel” and flow for its companion hardcover adventure. Guild Adept contributors are selected by Wizards of the Coast directly.

SEASON 1. TYRANNY OF DRAGONS

The first season of Adventurers League play was debuted at Gen Con in 2014. Nearly 1,000 players turned out to participate in the very first Epic, Corruption in Kryptgarden, and hundreds of other players experienced the trials and vile plots of the Cult of the Dragon in Phlan, a city on the north shore of the Moonsea. While the hardcover adventures Hoard of the Dragon Queen and Rise of Tiamat explored storyline events along the Sword Coast, the Adventurers League players made their way through Phlan, the Quivering Forest, and other similar places along this northern inland sea in an attempt to prevent the... well, play the adventures and the truth will become clear.

But be warned: not all ends well, I'm afraid!

SEASON 3. RAGE OF DEMONS

Passions are heightened in Hillsfar. Refugees from both Phlan and Mulmaster are looking for a new place to call home, and the city of Hillsfar isn't exactly known for its love of non-human people. On top of this, there is an undercurrent of demonic activity all around the region. Drow have been sighted in the vicinity, and even the myconids are acting strangely. What secrets bubble in the Underdark?

Did You Know?

The madness mechanic from the DMG is used throughout this season's adventures. Thanks to the demon princes roaming the Underdark, this has spread like wildfire and will be around for a long, long time. More information on madness can be found in the *Dungeon Master's Guide*.

After a supernaturally dense fog rolls into the area and the region is plunged into an unseasonably cold winter, the adventurers find themselves transported to Barovia, a land with no joy, sun, or hope. Can they escape?

DUNGEON CRAWLS & LEVEL BANDS

The dungeons in the *Tales from the Yawning Portal* were designed with specific level ranges in mind, but for Adventurers League play these level ranges are modified to incorporate the entire target tier. Dead in Thay is the dungeon that is most deeply impacted by this.

- Sunless Citadel – tier 1 (target level 1)
- Forge of Fury – tier 1 (target level 3)
- Hidden Shrine of Tamoachan – tier 2 (target level 5)
- White Plume Mountain – tier 2 (target level 8)
- Dead in Thay – tier 2 (target level 9)
- Against the Giants – tier 3 (target level 11)
- Tomb of Horrors – tier 3 (target level 13)

Unlike previous hardcovers where a character could be anywhere from level 1 to 10 in order to participate, characters will need to be in the appropriate tier for their chosen adventure from *Tales from the Yawning Portal*.

DUNGEON CRAWLS? IN MY D&D?!

The dungeon crawls presented in *Tales from the Yawning Portal* are by and large taken from older content and updated to the 5th edition of the rules. There are hints of Greyhawk and other campaign worlds contained therein, but the Adventurers League content takes place in the Forgotten Realms. To that end, the admin team assembled a series of “Hooks” articles to get players excited about the adventures that lay before them.

- [Hooks: Sunless Citadel](#)
- [Hooks: Forge of Fury](#)
- [Hooks: Hidden Shrine of Tamoachan](#)
- [Hooks: White Plume Mountain](#)
- [Hooks: Dead in Thay](#)
- [Hooks: Against the Giants](#)
- [Hooks: Tomb of Horrors](#)

These hooks are not required, but you may find them very helpful – they even include some handy DM guidance!

SEASON 7. TOMB OF ANNIHILATION

The dread lich Acererak has made a bid for the souls of every creature in creation. His terrible plot begins in the jungles of Chult in the far southern reaches of Faerun and can be felt across every plane of existence. Death is finally permanent; not even the gods can still his arcane plans.

Our heroes will brave dinosaurs, necromantic wizards, strange goblins, and deathtraps galore as they unravel the mysteries of this ancient place. A place where the gods refuse to tread, and a place where familiar faces long thought lost will appear.

Season 7 of the Adventurers League is a desperate race against time as the recently resurrected find themselves succumbing to a wasting rot and Acererak toys with powers from beyond our understanding!

Did You Know?

The lost language of Old Omuan is indeed that: lost. Not even the residents of Chult know how to speak it.

The legend of Dendar the Night Serpent and her prophesied final battle with Ubtao is woven into the cultures of Chult – but it remains to be seen just what Acererak's plans for them may be. These are the only two deities of the jungle peninsula; it is truly a place forgotten by the world, and one where even the gods refuse to tread.

CONVENTION-CREATED CONTENT

The Convention-Created Content – or “CCC” - project is something that we, the D&D Adventurers League administrators, feel very strongly about: it gives a measure of creative control of the Moonsea region and a significant amount of personal ownership of the campaign to the players and DMs that use this content. Conventions are invited to apply for permission to create and develop new CCC adventures. This creates new play experiences for people all over the world while driving attention to their own convention or event (and may make them a little coin in the process).

The CCC adventure design process is fairly open in that the AL administrators provide review for major plot and thematic elements but only rarely provide full critique of the submission. Some things to keep in mind during your creation process:

- adventures must be appropriate for all audiences; some parental guidance is okay
- CCC adventures aren't eligible for some DM Quests
- adventures must be 2 or 4 hours in duration
- adventures must be based in the greater Moonsea area; refer to the image below for a general sense of available places

Did You Know?

The general vicinity of the Moonsea is eligible for CCC proposals, but you are not limited to only those cities, towns, and dungeons that are on the current maps – why not make your own? Or craft a community-centric event as part of your pitch? The Moonsea is a wild place, rife with change and cultural shifts – base your adventure on those shores and let your imagination run wild.

We offer communication avenues, official certificate generation, resource and plot assistance, and more. Just reach out!

The sky's the limit, so let's make this memorable for players all over the world!
