

RING OF SPELL STORING

DDAL04-08: The Broken One - Curse of Strahd

This ring appears to be a plain gold band, though tarnished and chipped. When the wearer casts an arcane spell, they feel cold and faint of breath (while this is certainly unsettling, this is not a mechanical effect). See the basic rules or *Dungeon Master's Guide* for a full description of this item's properties.

Ring, rare
